SDL Property Management

Salford

What we do

SDL delivers national coverage across the board, in surveying, mortgage services, auctions, property management, lettings and estate agency. In all areas, our revolutionary spirit has the customer at its heart. Within Property Management we provide estate, leaseholder and commercial property management services as well as private rental and build-to-rent services and a unique franchise scheme for property management. Never afraid to do things differently, we are constantly evolving our services in response to customer needs and market opportunities, introducing improvements and innovations that are helping to shape the future of our industry.

What we care about

Revolutionising our customers' experience is what drives us each and every day at SDL. We thrive on shaking up the industry and doing what it takes to make tenants' lives easier and better. Because they deserve more and we want to be the ones to wow them.

We believe our greatest asset is our people and by empowering them to make a difference our people can become the best they can be.

Your life as a Lettings Team Member (Negotiator)

You will be responsible for taking enquiries in respect of our stable sites and Units in the leasing up phase. Being office based you will provide a fantastic customer experience both over the telephone and by email. Minimising the void periods on our Build to Rent properties on both Stables sites and Units in the Leasing up phase will be one of your main Performance Indicators.

Expectation will be set to reserve as many applications "off plan" as possible. All the necessary tools and training will be provided to ensure you are able to fulfil this objective.

Having had experience of working in the lettings industry you will thrive on finding tenants for our properties. Once a tenant is found you will ensure they meet with our criteria before progressing this application through to the reference stage.

MAKE IT
BETTER

You will be expected to build a good working knowledge of our sites, property styles and unit availability so that you are able to best advise any potential tenant in a professional manner. Keeping our customer database up to date is vital to ensure we capture all relevant data about our potential tenants.

You will be expected to bring experience to the role on what initiatives and actions need to happen to minimise void periods and to help build our brand in any new areas that we operate.
